Seneschal's Report

Greetings,

Hope this missive finds everyone well and in good health.

I have some SCA clothes that my sister and cousin are getting rid of, so if anyone is interested in looking at the garb... please contact me.

There isn't much to report. I hope most of you saw the requirements for keeping our Shire status. We must keep 12 paid memberships, of which 5 must be sustaining. The last post on memberships said we had 18 sustaining, 23 family and 1 associate. Please keep your memberships current!

At our next meeting I would like to plan a "group" event where we plan to travel and camp together. We always have so much fun at those events! I'm looking forward to another one.

Chronicler

Greetings,

I only have two things to report this month.

I know it's a bit early, but please send me reports by June 7th at Midnight. I'll be doing a really packed mini-mester in June so I can graduate this summer, and I want to do the newsletter early in case I have to do three papers around Populace time and not have to worry about putting together the reports. You all can turn in reports at the last minute in July if you want to make it even.

Second, the Southern Regional Chroniclers are talking with the future Orbis Herald about having herald articles in newsletters. If it's done, I'll place them in the newsletter along with the other reports in our newsletter. If you have any opinions about it, feel free to contact me. Until next time, take care.
